2. With regard to funding these positions the Budget Division will increase the DD/R allotment in an amount consistent with your rate of EOD for the remainder of FY 1963. This increase will be based on our discussions with your office heads in charge of these activities and requested submission to be provided by the Comptroller, DD/R. We do not plan to provide additional funds for the increase in OSA personnel as we feel the increase can be absorbed within available allocations for that Office.

Chief, Budget Division
